

Easy II Reacher

- The Easireach II Reacher is a lightweight aluminum reacher with a comfortable ergonomic handle, designed for people with limited reach or strength
- The 3 jaw opening with orange slip-resistant surface gives high visibility and a secure hold on items
- Magnetic tip picks up small metal objects
- End post can be used to help with dressing and pulling items closer
- Includes a lock-on-clip to store reacher on walker or wheelchair
- Reacher may also be hung by the curved hook on handle
