

Vicair Vector O2 Cushion

- The Vector O2 reduces pressure in the vulnerable area around the IT's (sitting bones) and coccyx (tailbone)
- With nine adjustable compartments, its unique layout further provides extra pelvic stability, excellent leg guidance, optimal skin protection and comfort
- The Vector O2 offers support where needed, resulting in improved functionality of the upper body and expanding reach
- Front compartments provide leg alignment and stability - easily adjustable for individual positioning needs
- Ischial well - Two compartments for superior pressure reduction in the IT-coccyx area & extra positioning possibilities
- Trochanter support firmer density to provide lateral stability - redistributes pressure to help create an ischial well
- Mid height zip closure for easy adjustment when client is seated
- Cushion keeps its shape, enhancing the user's skin protection
- 100% machine washable and breathable, for optimal hygiene and perfect temperature and moisture regulation
- Cover Options:

Top Cover:

- Ideal to help manage one of the main causes of pressure sores
- Standard cover for the Vicair O2 cushions
- Open bottom allows the cushion to breathe continuously
- Optimal ventilation and comfort
- Machine washable
