

Lopital Shower Commode - Elexo - XXL

- Caring for obese clients with traditional shower-toilet chairs is heavy work
- The electric height-adjustability ensures that the seat reaches a maximum tilting angle of 20 degrees when at its maximum height, thereby creating the optimum seating balance for the client
- Simple electric high / low adjustment by hand control with battery indicator
- 3 plastic castors fitted with brakes and 1 direction wheel
- Extremely stable due to the fitting of 2 lifting motors
- Rail for toilet bucket or bedpan
- With sleep mode setting after 60 minutes
- Simple to recharge with charger included
- Extended and fully foldable armrests
- Two-piece seat opened at two sides
- Ergonomic calf support
- Swing-out and removable footrests. Height adjustable
