

Bruno Stair Lift - Elan

Bruno's Elan Stair Lift is a well-rounded entry-level stair lift for straight, indoor staircases.

[Awarded Best overall Stair Lift by SafeWise](#)

- **Safe:** Seat swivels up to 90 degrees away from steps, then locks in place for safe exit. Seat belt and obstruction sensors ensure safety.
- **Space-saving design:** Narrow vertical rail design leaves plenty of open space on the steps for family members. Arms, seat, and footrest fold to save space when not in use.
- **Simple operation:** Push the armrest paddle control to travel up and down stairs. Also includes 2 wireless remote controls.
- **Dependable:** Battery-powered operation ensures performance even in a power outage.
