

LIKO COMFORTSLING PLUS (MOD. 300)

- Comfort Sling Plus™ is a further development of the Comfort Sling™ (Mod. 30) with improved comfort and fit
- Comfort Sling Plus™ enables an upright sitting posture and support for the entire back
- Comfort Sling Plus™ is applied and removed with the patient in a supine position and is then left in the chair after the transfer
- Suits most patients
- Excellent choice when lifting from a flat position
- Gives excellent support for back and head
- Comfortable reclined sitting posture
- Disposable sling intended for single use (do not wash).
