

TiLite Twist

permobil

TiLite

- **Child prodigy:** Designed from the ground up for kiddos, the TWIST encourages exploration, independence, and playfulness. There are no parts or growth kits to buy. Instead, the TWIST grows with you
- The Tru-Fit system opens up the world of adjustability by incorporating an infinite adjustment mechanism. The Tru-Fit system allows you to fine tune the fit of your wheelchair because you are not limited to a series of pre-set holes
- The aluminium frame design makes for easy installation of seating components
- Height-adjustable and easily removable TWIST Center-Mounted Push Handle option for parents
- TiShaft Back Release Bar makes folding and unfolding the backrest easy from any angle
- Zero Play Camber Plugs give a much tighter feel to the chair like sport suspension in a car. CNC machined from billet aluminium to the highest tolerances, they remove any side to side movement from the rear wheels
