

## Aspire COVE Pressure Relief Chair Accessories

- Accessories that are built to improve the usability of the [Aspire Cove Chair](#)
- **Utility Table:** Offers a convenient surface for refreshments, books, electronic devices and the like. Rotates out of the way for stowage or for clear seat entry and exit. Mounted to the non-moving armrest frame, the tray stays horizontal while a user is tilted and repositioned
- **Protective Weight-Bearing Footrest:** The fully retractable footrest protects the user's feet during transportation, redistributes pressure away from bony prominences during prolonged upright sitting and serves as a step to assist with seat entry and exit
- **Advanced Immersion Backrest:** This backrest combines contouring with a plush and immersive surface to provide greater lateral support when upright sitting and caters more directly for users with kyphosis
