

Oricom TP58 Big Button Telephone

Oricom TP58 Big Button Telephone

This affordable corded phone is ideal for home or commercial use. It is packed with easy to use practical features, it's the ideal phone for people who suffer from low vision. The Oricom TP58 has over size high contrast buttons, large comfort grip handset, 6 one touch memories and speakerphone making it a breeze to use.

- **Speakerphone:** Keep your hands-free when making or receiving a call.
- **High Contrast Big Button Keypad:** Now you can easily feel and see the numbers you need to dial.
- **Flashing Ring Indicator:** Allows you to see as well as hear when you have an incoming phone call.
- **Hearing Aid Compatible:** The phone contains an inbuilt inductive coupler which offers Hearing Aid users clearer sound. Simply switch your hearing aid to the "T" setting to use this function.
- **6 One Touch Memories:** Store your 6 most frequently dialed numbers for one touch redial.
- **Wall Mountable:** Mount on your wall for greater convenience. Will fit over standard wall mounting plate with ease.
- **NBN Compatible:** If connected via the NBN, this product may not be able to make calls during a power outage, please check with your service provider.
