

Donjoy OA Reaction Web Knee Brace

- Low-profile brace made of lightweight silicone makes it easy to wear under clothing.
- Patented silicone web design provides shock absorption and mild off-load.
- Four-way, adjustable wraparound brace for easy adjustment and on/off application.
- Soft silicone condyle pad helps keep the brace in place.
- Scientifically designed to provide shock absorption and anterior knee pain relief treating OA (osteoarthritis) of both the knee joint and the patella.
- Best for everyday activities, golf, running, tennis, walking.
