PIVOT FRAMES
aspire for... Comfort Safety Positioning

1 Finely balanced central pivot line requires minimal manual handling effort to achieve the full pivot range and desired positioning.

2 Ergonomic positioning handle. In powered configuration, the accessible thumb-switch activates powered pivoting assistance.

3 Four clip sling attachment points.

4 Patients can be ideally positioned for safety and comfort during the transfer process.

5 Removable battery with charger included (powered).

6 Designed for use with Aidacare Aspire Patient Lifters and Clip Slings, yet adaptable to many other lifter brands.

S.W.L 227kg
