CARELINE
HUNTINGTON’S BED

www.accessmobility.com.au
Made in Germany, the Careline Huntington's bed is of the highest quality. The beds are sturdy in construction and built to resist constant movements by the user. The mattress is also waterproof and designed to reduce the risk of shearing.

The bed offers high low functions, backrest and leg support in addition to being fully padded for the protection of the user. This padding extends to the head and footboards and also the rails are padded.

The padded rails are electrically operated to minimize risk to users and also carers. The castors are lockable by a foot control.

Suitable For:
