

Product Awareness – February 2018

NEW PRODUCT! Exclusive Pride Go-Go Boot Scooter

We are pleased to announce the arrival of the Go-Go Boot Scooter exclusive to Aidacare, now available and in stock!

The Go-Go Boot Scooter is a joint initiative of Pride Mobility Australia and Aidacare which is intended to drastically improve our competitiveness in the small scooter market sector. In this sector, cheap alternative products have become increasingly common however they are generally poor quality, and lack the experience, spare parts, back-up and after sales support available from Aidacare and Pride Mobility.

The Go-Go Boot Scooter will replace the current model Go-Go Ultra X (SCT670610) in the Aidacare scooter offering.

The Boot Scooter is loaded with features including:

- Feather-touch disassembly with one hand into 4 manageable components
- Drop-in battery box for worry-free travel
- 118kg Safe Working Load (SWL)
- 6.4 km/h maximum speed (up to)
- 11.5 km per charge range (up to)
- Small footprint – fits in the boot of most cars
- Highly stable front frame-mounted seat post
