

# SALJOL RANGE

## CLEARANCE!

### Saljol Page Indoor Walker

- The stable Page Indoor Seat Walker is a mobile handrail that helps you to safely master everyday life at home. Also suitable for very small apartments.
- Transport around the house without the need of additional equipment
- Can be used instead of a toilet seat frame or handles on the wall
- Compact size allows for ease of transport
- Foot brakes provide stability and safety
- Stand and walk around the house while maintaining your balance
- Ideal for a person height of 150 - 180 cm
- Suitable for very small apartments and space with a turning circle of 660mm

### Saljol Spa Shower Chair

- Shower chair that turns on the spot without slipping in any direction
- Powder coated anthracite
- The seat is made from EPP, a thermoplastic that reflects body heat that doesn't absorb water
- The wheels are made of the extra non-slip material TPE
- The spa was designed as a shower stool, but can be used anywhere in the bathroom, without the need to hide when guests come over
- Generous hygiene cut-out, everyone can wash themselves while seated, preserving privacy and dignity at any age.
