Mattress and Pillow Protectors: Surface 100% Polyester, Waterproof Layer Polyurethane, Antimicrobial Fresche®, Mattress Protector Skirting Polyester.

Sheets and Pillow Cases

Flat Sheet, Fitted Sheet, and Pillowcase(s)

Cool, Breathable Comfort

Allows heat and moisture to pass through, helping regulate temperature for a more comfortable night's sleep.

Washable at 95°C

Built to withstand repeated high-temperature washing.

1 YEAR WARRANTY

Contour or Low Profile Pillows

Contour and low profile pillows help promote proper alignment of the head, neck, and shoulders. They provide consistent support for a more restful night's sleep.

Contour

For shaped, ergonomic support

Low Profile

For a flatter, lower height feel
