

Activ+ Manchester

Complete Mattress Protection

The fully waterproof barrier helps guard against fluids, viruses, dust mites and bacteria, supporting a cleaner, more hygienic sleep environment.

Highly Absorbent Miracle Layer®

With a 5/5 absorbency rating, it absorbs from 2500ml (Long Single) up to 4600ml (Queen), providing dependable protection when it matters most.

Fresche® Antimicrobial Support

Helps inhibit bacteria growth and control odours, keeping the sleep surface fresher for longer.

Cool, Breathable Comfort

Allows heat and moisture to pass through, helping regulate temperature for a more comfortable night's sleep.

Washable at 95°C

Built to withstand repeated high-temperature washing for effective hygiene.

Each pack includes:
