### KITCHEN AIDS

- **Lightweight Cutlery**
  - Stainless steel utensils are mounted on plastic stems and sealed into washable grey foam handles, for those with weak/painful grip.

- **Food Preparation System**
  - This durable cutting board is ideal for those who have difficulty in gripping, or only have the use of one hand.
  - Suits various food prep cutting tasks.

- **Sigvaris Doff N’ Donner**
  - Soft device that allows you to quickly guide a compression garment up and down your limb.
  - Cone acts as a loading device—sold separately or as a set.

- **Handy Bar**
  - Inserts into your vehicle door frame to help support getting out of the car.
  - Non-slip contoured grip handle and seat belt cutter.

- **Can Opener Pull**
  - Extremely easy to use, just hook the end under the ring, fold forwards and then roll back.
  - Suitable for users either with arthritis or with a weak grip.

- **Dycem Anchor Pad**
  - Enhances grip of numerous household items on tables and benches.
  - Dycem is an effective non-slip material that prevents movement between surfaces.

- **One Touch Automatic Bottle & Jar Opener**
  - One-touch operated bottle and jar openers are suitable for metal or plastic screw-top.
  - Rubber jaws automatically adjust to lids.

- **Medi-Butler Off - Doffing Aid**
  - This long handled device assists with the removal of compression stockings, socks and normal pantyhose.
  - It can also double as a shoehorn.

- **Key Turner**
  - Holds two keys.
  - Increases leverage when turning key.
  - Curved, bulky handle for a comfortable grip.

- **Pick-Up Reacher**
  - Lightweight, robust reacher for those with restricted reach.
  - Magnet for small metal objects.
  - Rotates 360° to avoid the need to rotate the wrist.

- **Good Grips Peelers**
  - Easy to use peelers with soft, comfortable non-slip grip featuring a precision ground stainless steel blade for a sharper cutting edge.

living with arthritis

Living with Arthritis can be uncomfortable and painful. You may experience stiffness, inflammation and damage to the cartilage in your joints resulting in weakness, instability, reduced range of movement and joint deformities. There are over 100 forms of arthritis that can affect people of all ages.

Arthritis can heavily impact on daily function including the most basic of tasks such as preparing meals, walking around the home, driving, tying laces and button up shirts. Fortunately, there is a wide range of equipment available to assist with daily tasks to allow you to maintain an independent lifestyle whilst living with arthritis.
