Why Hire Instead of Buy?

When your healthcare needs change, you need a solution that is flexible, practical, and cost-effective. Hiring equipment from Aidacare provides access to high-quality healthcare products with a fast turnaround from our team.

Whether you are recovering from surgery, managing a temporary condition, or supporting a loved one, hiring enables you to access the right equipment for the right period of time. As your needs evolve, your equipment can be adapted accordingly.

Get the equipment you need with flexible hire options and expert support from Aidacare. Stay comfortable, independent, and confident without the long-term commitment of ownership.

How to Hire

Whether you're recovering from surgery, managing a temporary change in mobility, or waiting for funding approval, our team will help you find the right solution.

Contact Our Team

Get in touch with us by calling your nearest Aidacare store or 1300 133 120 to speak to our hire team.

Discuss Your Needs

We'll help identify the most suitable equipment based on your individual needs, environment, and intended use.

Receive a Quote

Your quote will clearly outline equipment, hire period, delivery options, and costs.

Delivery & Setup

Your equipment will be delivered to your home, facility, or workplace, with setup where required.

Ongoing Support & Collection

Our team remains available throughout the hire period for support. When you're finished, contact us to arrange equipment collection or discuss extending your hire.
