## ASPIRE RAPHAEL CUSTOM UPHOLSTERY RELEASE!

We're excited to offer customised fabric options for Aspire Raphael Lift Recliners! On top of the stocked fabric options (Bronze, Nordic Stone and Marina Grey), customers can now choose from **over 70 different additional custom fabric and colour options!**

### PRODUCT FEATURES

#### 4x Upholstery Ranges to choose from:

- o **Leather (La Casa):** Exudes a luxurious soft glove-like texture. Leather is breathable and quickly assumes room and body temperature, thus eliminating extreme heat and cold.
- o **Healthcare Vinyl (Lustrell Ranger):** Powdery-like texture. Anti-microbial and anti-bacterial to assist with infection control and hygiene. This range is also great for users who eat and drink in the chair.
- o **Micro Suede (Eastwood):** Similar to our existing Bronze Micro Suede. Easy to spot clean, durable and gentle on skin.
- o **Soft Touch Fabric (Mazza Manisa):** Soft velvet-like texture, available in a diverse colour palette with two variations: Mazza (pattern/fleck) and Manisa (plain).
- o **Price competitive:** Custom Aspire Raphael's are between \$3,600 to \$4,200 with a 5-6 week lead time. Our competitors are between \$4,000 to \$4,350 with an 8-14 week lead time.
- o **Leadtime:** 5-6 weeks, depending on fabric availability (*refer to Quote Form for fabric stock check process*).
