MASS Prescriber App, download it today!

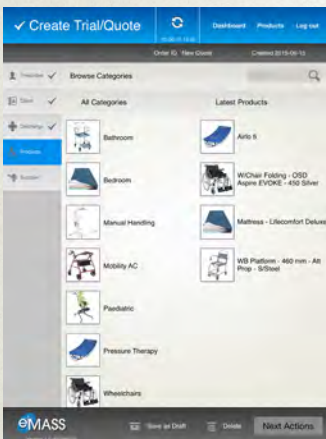

eMASS features:

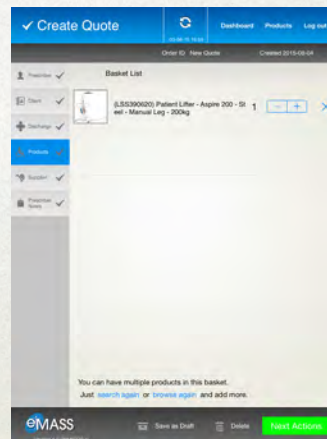

Draft Orders:
For completion at a time that suits you which you can track once submitted.

Request a Trial:
Prescribers benefit from the same functionality found in the quote request function, streamlining processes and enhancing communication.

Hundreds of MASS approved products:
Complete with MASS pricing and eligibility.

Request a Quote:
An intuitive and efficient way to obtain quotes for submission to MASS. The prescriber will be notified at the important stages of the order cycle.

The eMASS portal has been developed to generate better outcomes for your clients and help you optimise your consulting time. The ultimate companion for any MASS prescriber.

Download eMASS on the App store.

Alternatively visit the web portal: eMASS.aidacare.com.au

eMASS, developed with you in mind.
