Aspire Overbed Tables are designed to conveniently accommodate meals, drinks, reading materials, tablet devices and other items within easy arms reach from a bed or chair.

Adjustable in height and with locking castors, the robust steel frame and reinforced base mount provide a very stable and secure base and tabletop.

Customisable options and bespoke finishes are available to meet your interior design aspirations.

The range includes a tilt top model with a wider base, designed to fit around most lift recline chairs.

Tailored to Suit Your Interior Design Needs

RECESSED TOP

- Replaces old-style bedside tables
- Integrates with the existing room decor

1300 133 120   |   www.aspirecare.com.au   Comfort • Stability • Style

RECESSED TOP collects and prevents liquids from spilling over the edge.

THERMOFORMED SURFACE

An impermeable surface layer continues over and down the vertical edges so it is easily wiped clean.

### RECESSED TILT TOP - WIDE BASE

- Top can be tilted and fixed in position to suit the user, while the smaller surface remains horizontal to hold drinks or other items.
- Locking tilt mechanism eliminates surface movement in all positions.
- Wide base model (800mm internal width) fits around most lift recline chairs.
