Aspire Overbed Tables are designed to conveniently accommodate meals, drinks, reading materials, tablet devices and other items within easy arms reach from a bed or chair.

Adjustable in height and with locking castors, the robust steel frame and reinforced base mount provide a very stable and secure base and tabletop.

Customisable options and bespoke finishes are available to meet your interior design aspirations.

RECESSED SPLIT TOP

Top can be tilted and fixed in position to suit the user, while the smaller surface remains horizontal to hold drinks or other items.

Locking tilt mechanism eliminates surface movement in all positions.

Infection Control

RECESSED TOP
collects and prevents liquids from spilling over the edge

THERMOFORMED SURFACE
An impermeable surface layer continues over and down the vertical edges so it is easily wiped clean.
